

<p>I . The Lord needs the truths of His recovery to spread to the whole earth:  <u>Matthew28:19</u> Go therefore and disciple all the nations, baptizing them into the name of the Father and of the Son and of the Holy Spirit,  <u>1Timothy2:4</u> Who desires all men to be saved and to come to the full knowledge of the truth.  <u>Matthew24:14</u> And this gospel of the kingdom will be preached in the whole inhabited earth for a testimony to all the nations, and then the end will come.</p>	<p>A. The spreading of the divine truths of the Lord's recovery will be a preparation for the Lord's coming back to bring the recovery and restoration not only to Israel but also to the entire creation.  <u>Mark 16:15</u> And He said to them, Go into all the world and proclaim the gospel to all the creation.</p> <p>B. There is the need of the spreading of the translated, interpreted, and understood divine truths for the Lord's recovery and restoration; the spreading of the divine truths will bring in the Lord's restoration—  <u>isaiah 11:9</u> They will not harm nor destroy In all My holy mountain, For the earth will be filled with the knowledge of Jehovah, As water covers the sea.</p> <p>C. The Lord's recovery is full of the divine truths but is inadequate in the application of the truths and slow in the spreading of the truths.</p> <p>D. The Lord's charge to us is to go and teach the nations so that the present age may be consummated.</p>	
<p>II . It is a historical fact that the world situation has always been the indicator of God's move on earth :  <u>Daniel4:26</u> And in that it was commanded that the stump of roots of the tree be left, your kingdom will be assured to you after you have come to know that the heavens do rule. <u>35</u> And all the inhabitants of earth are considered as nothing, But He does according to His will in the army of heaven And among the inhabitants of the earth; And there is no one who can resist His hand Or say to Him, What are You doing?  <u>Four beasts from the Mediterranean (First beast/lion: Babylon and King Nebuchadnezzar, second beast/bear: Medo Persia, third beast/leopard: Greece and Alexander the Great, fourth beast/horrible, awesome, beast with very strong ten horns: the last Roman Empire Caesar, Antichrist) : Daniel7:3</u> And four great beasts came up from the sea, each different from the other. <u>4</u> The first was like a lion and had the wings of an eagle. I watched until its wings were plucked and it was lifted up from the earth and made to stand on two feet like a man; and a man's heart was given to it. <u>5</u> And there was another beast, a second one, resembling a bear. And it was raised up on one side, and three ribs were in its mouth between its teeth; and they said thus to it, Arise, devour much flesh. <u>6</u> After this I watched and there was another beast, like a leopard; and it had four wings of a bird on its back; and the beast had four heads, and dominion was given to it. <u>7</u> After this I watched in the night visions, and there was a fourth beast, dreadful and frightful and exceedingly strong; and it had large iron teeth; it devoured and crushed and trampled down the remainder with its feet; and it was different from all the beasts that were before it; and it had ten horns. <u>8</u> I was considering the horns; then there was another horn, a small one, which came up among them; and three of the first horns were uprooted from before it. And there were eyes like the eyes of a man in this horn and a mouth speaking great things.  <u>God and His universal sovereignty : 9</u> I watched Until thrones were set, And the Ancient of Days sat down. His clothing was like white snow, And the hair of His head was like pure wool; His throne was flames of fire, Its wheels, burning fire. <u>10</u> A stream of fire issued forth And came out from before Him. Thousands of thousands ministered to Him, And ten thousands of ten thousands stood before Him. The court of judgment sat, And the books were opened.  <u>Four beasts from the Mediterranean (continued) : 11</u> I watched then because of the sound of the great things that the horn was speaking; I watched until the beast was slain and its body was destroyed and given to the burning fire. <u>12</u> And as for the rest of the beasts, their dominion was taken away, but an extension of life was given to them for a season and a time.  <u>Man-child, the coming of Christ : 13</u> I watched in the night visions, And there with the clouds of heaven One like a Son of Man was coming; And He came to the Ancient of Days, And they brought Him near before Him. <u>14</u> And to Him was given dominion, glory, and a kingdom, That all the peoples, nations, and languages might serve Him. His dominion is an eternal dominion, which will not pass away; And His kingdom is one that will not be destroyed.</p>	<p>A. The history of the church also shows us that the world situation is the indicator of God's move on earth.</p> <p>B. There is the need of an appropriate direction for God's move today to match the recent changes in the world situation.</p> <p>C. When we see many changes in the world situation, we must wake up and consider what the Lord wants to do and how these changes concern us.</p>	
<p>III. We need to see a vision of the world's ultimate situation, God's ultimate move, and the Lord's ultimate recovery:</p>	<p>A. The world's ultimate situation involves the supremacy of the United States:</p>	<p>1. The United States has been kept for the spreading of the central vision of Paul's completing ministry  <u>Acts26:18</u> To open their eyes, to turn them from darkness to light and from the authority of Satan to God, that they may receive forgiveness of sins and an inheritance among those who have been sanctified by faith in Me. <u>Colossians2:2</u> That their hearts may be comforted, they being knit together in love and unto all the riches of the full assurance of understanding, unto the full knowledge of the mystery of God, Christ, <u>Ephesians 3:4</u> By which, in reading it, you can perceive my understanding in the mystery of Christ,  <u>5:32</u> This mystery is great, but I speak with regard to Christ and the church..</p>

<p><u>Proverbs 29:18</u></p>		<p>2. The United States is the last power God will use for His final move.</p>
<p>Where there is no vision, the people cast off restraint;</p>	<p>B. God's ultimate move is to carry out His economy concerning Christ as the mystery of God and the church as the mystery of Christ:</p>	<p>1. God's ultimate move to fulfill His eternal intention is to have Christ as life in us, flowing in us, saturating and permeating us, and making us fit to be built up into His Body for His expression</p> <p>2. Three items have been recovered—the preaching of the gospel, the teaching of the Bible truths, and the scriptural way of meeting; now this final matter of God's ultimate move must be our concern</p> <p>Ephesians 3:9 And to enlighten all that they may see what the economy of the mystery is, which throughout the ages has been hidden in God, who created all things, 10 In order that now to the rulers and the authorities in the heavenlies the multifarious wisdom of God might be made known through the church,</p> <p>3. Gospel preaching, teaching the Bible, and meeting according to the Bible are not God's ultimate move; God's ultimate move is to gain a people who have Christ as their life and live Him :</p> <p>a. It must be our real experience that Christ is the flowing life within us. <u>John 4:14</u> But whoever drinks of the water that I will give him shall by no means thirst forever; but the water that I will give him will become in him a fountain of water gushing up into eternal life.</p> <p>b. As Christ saturates and permeates us, He supplies us with all His elements and terminates the negative things within us.</p> <p>c. We need to be transformed, grow into maturity, and be built up in order that Christ may have His Body</p> <p>d. God wants Christ as the embodiment of God to become our life, and He wants us, as sons of God, to be members of the Body of Christ so that Christ will have His Body; in our locality this Body will be expressed as a golden lampstand; this is the preparation of the bride.</p> <p>4. Even if our gospel preaching is adequate, our Bible teaching is accurate, and our meetings are scriptural, we need to ask ourselves this question: Do we have the ultimate move of God among us?</p> <p>5. God's ultimate move is the fourth step of His move to accomplish His eternal purpose: <u>2 Timothy 1:9</u> Who has saved us and called us with a holy calling, not according to our works but according to His own purpose and grace, which was given to us in Christ Jesus before the times of the ages <u>Romans 8:28</u> And we know that all things work together for good to those who love God, to those who are called according to His purpose.</p> <p>a. The first three steps are preaching the gospel, teaching the Bible, and meeting according to the Bible.</p> <p>b. The fourth step is His gaining a good number of believers who know how wonderful Christ is, who have Him as their life and live Him, who are filled, permeated, and saturated with Him, who grow in life and are transformed by His flowing life within them, and who are built up with fellow believers to be the golden lampstand in their locality; this is what the Lord is after today</p> <p>c. For the first step, the spread of the gospel, God prepared the Roman Empire; for the second step, the return to the Bible, God prepared Germany; for the third step, the recovery of the gospel, the teaching of the Bible, and the proper meetings, God used Great Britain; and for the fourth step, God's ultimate move, God has prepared the United States.</p> <p>d. As this ultimate move goes forward, there is the need for a powerful country, the United States, to keep the peace and to keep the way open.</p> <p>6. The direction of God's ultimate move must be toward Europe; before the crushing of the great human image in Daniel 2 takes place, the Lord's recovery must spread to Europe and be rooted there.</p>
	<p>C. The Lord's ultimate recovery is the same as His ultimate move:</p>	<p>1. The ultimate move of God has been lost sight of, but now the Lord will recover it and thus complete what He desires to do.</p> <p>2. The Lord wants to recover Christ, the mystery of God, becoming the indwelling Spirit to dispense the Triune God into the believers, thus making us members of His Body for His corporate expression; this Body is expressed locally as the lampstand, which becomes His testimony, the testimony of Jesus—</p> <p>3. This is the Lord's ultimate recovery, and He has the United States to maintain the world's situation so that His ultimate recovery may spread for the completion of God's ultimate move <u>Matthew 28:20</u> Teaching them to observe all that I have commanded you. And behold, I am with you all the days until the consummation of the age.</p>

### **Experience: ① Pursue, experience and preach the divine truth**

According to Isaiah 11, the restoration will come because “the earth will be filled with the knowledge of Jehovah, / As water covers the sea” (v. 9). We have to speak for the Lord to bring in this restoration. How shall people hear without one

who spreads the divine truths? How beautiful are the feet of those who spread the interpreted and understood divine truths!

This is why we have to study these truths...We are not going [to Europe] to preach to people in the traditional way, but to talk to them about all the divine truths. Through our speaking, some will be solidly saved. If we speak the deeper truths in John 3:16 to them, they will never forget this verse. May the Lord burden us to learn the divine truths and to spread them everywhere for His recovery and restoration.

The Lord's recovery is full of the divine truths but is inadequate in the application of the truths and slow in the spreading of the truths. If we do not get into the truths in the printed ministry, we will be short in the application of these truths.

#### **Junior high/Senior high students' model:**

Matthew 24:14 And this gospel of the kingdom will be preached in the whole inhabited earth for a testimony to all the nations, and then the end will come.

The gospel of grace has already been preached to the whole world by the British Empire. Most people in the world, including those who never read the Bible, know that the Bible preaches the forgiveness of sin. But in Matthew 24, the Lord says that the end will never come unless the gospel of kingdom is testified by all the people. The gospel of kingdom not only includes the forgiveness of sin, but also includes the regeneration of life, the growth of life, the reigning in life, and the church life. The little booklet of the gospel of "the mystery of life" is the preaching of the gospel of kingdom. Also, the contents of the Recovery version Bible's footnotes and life-study messages are full of the gospel of kingdom.

People in the world are tired or are despised of the shallow-preaching gospel of the sins are forgiven and go to heaven in the future. One reason why they do not believe the gospel is that the preaching of the gospel is shallow and the contents are poor. Actually they are thirsty for the gospel of kingdom.

Pursue the outstanding contents of the gospel of the kingdom, and the wonderful truth given in the recovery from a young age through the church's reading of the Bible, the reading of the Life Study and the reading of the Holy Word for the Morning Revival. God wants you to come to the absolute knowledge of the truth after you got saved. After the further pursuing of the truth, you need to learn to apply truth to the real life in your junior high /high school life. Because truth is not the doctrine, it is the fact, so after understanding the truth you should pursue to experience it. Romans 12: 2, for example, " And do not be fashioned according to this age, but be transformed by the renewing of the mind that you may prove what the will of God is, that which is good and well pleasing and perfect." When it is difficult for you to keep up with your studies, call upon the name of the Lord, set your mind on the spirit and pray, renew your mind, experience the uplifting of your mind in understanding. By experiencing the truth this way, you will burden with the preaching of gospel to your classmates. By doing this, you become a person spreads the divine truth. Amen!

### **② God's ultimate action and the role of the United States**

You should not be here just to make a living. That is too low. Be burdened with God's ultimate move. Then you will see God's oneness with you, and there will be no problem with your living. ◦

What is God's ultimate move? It is to gain a people who have Christ as their life. We must live Him. We must not have just a doctrine but a real life in our daily living. It must be our experience that Christ is the flowing life within us. As He saturates and permeates us, He supplies us with all His elements. Incarnation, humanity, human living, crucifixion, and resurrection—all these are carried out within us in this permeation. While His life is saturating us, it kills the negative things within us and supplies us with the divine element. We need to know this not just in a doctrinal way but as a reality in our experience. Then we need to know how to be transformed and how to grow into maturity. Furthermore, we must know by experience what it is to be built up, in order that Christ may have a Body.

As this ultimate move of the Lord goes forward from here, there is the need for such a powerful country to keep the world at peace and to keep the way open.

Now that we have planes like the 747s, we no longer need the Roman roads that were used in the early centuries for the spread of the gospel. But these 747s need a peaceful situation for the word of the Lord's recovery to go out. If the peace is broken, the spread will be stopped. The Lord needs a country for this. The United States, instead of robbing other countries, has been a giver. Since the end of the war in 1945, the United States has given away billions of dollars to other countries.

#### **The young working saints' model:**

As a business person, you need to understand that the human history is a rice hull; but in it there is the divine history. If your business life is only for your own well-being and has no divine history in it, your history would have been meaningless like the rice hull or consumed by the four kinds of locusts and could only become an exhausted history. The only role for the rice hull is to have the nucleus grown in it. In other words, no matter how successful you may become, without the advancing of the divine history and the economy of God, your business life will be something of no value whatsoever.

Considering human history, you can see that it is in its final state. It is also for bringing in God's ultimate action. In order to take up the burden of God's ultimate action, you need to do the following.

- a. Taking in the truth not only as doctrine, but actually applies it to your everyday life, especially to your business life and marriage life, and live out the testimony.
- b. Understand the world ending situation, not to merely to go through a typical Christian life, but to have burden on advancing God's economy.
- c. Even in business life, do not get the easy idea that you can earn money by going to the company. You should have excellent contribution to your company. In addition, experience Christ in your business life, not for your own happiness, but for the prosperity of building up the church.

**BSG: The precious vessel unto glory by Kobe U. BSG OB/OG**

**1. Man is a vessel:**

Romans 9:23 In order that He might make known the riches of His glory upon vessels of mercy, which He had before prepared unto glory,

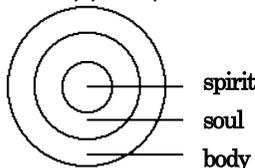

We are the vessel of God. God wants to be our content. The water bottle is for containing the water. In the same way we are to contain God. Knowledge, wealth, fun, success cannot satisfy you. Because you were created to contain God!

**2. The tripartite vessel:**

1 Thessalonians 5:23 And the God of peace Himself sanctify you wholly, and may your spirit and soul and body be preserved complete,

Man is a vessel of God. In the Bible, this vessel is divided into three parts. They are spirit, soul, and body. Take a look at the figure.

The body is simply the physical body. It belongs to the physiological level, contacting the things of the material realm, and is the most superficial part. The soul is an organ for thinking. It belongs to the psychological level, contacting the things of the mental realm, and is a deeper part. The spirit is the deepest part of man. It belongs to the spiritual level, and contacts the things of God.

For problems of the body one may see a doctor. For problems of the mind one may visit a psychiatrist. Yet only God can solve the problems of the spirit.

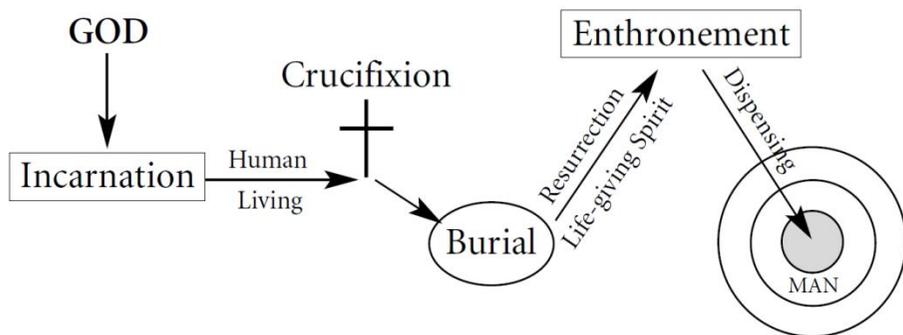

**3. For the dispensing of God, Christ had twice "become":**

John1:14 And the Word became flesh and tabernacled among us (and we beheld His glory, glory as of the only Begotten from the Father), full of grace and reality.

God was "incarnated", born as a human and was called Jesus.

1 Corinthians 15:45 the last Adam became a life-giving Spirit.

The Lord "became" the Spirit. It is by the resurrection from death, it is called the life-giving Spirit. Since this Spirit is a "life-giving Spirit", it brings life and dispenses God into those who believe in Him.

**4. The significance as a Christian:**

Christian is a person who has gotten the dispensation from God. First, God will dispense himself into our spirit. Next, it spreads out from our spirit into our soul. Finally, we are filled by God in all our spirit, soul and body and permeated by God. These results are called "glorification" in the Bible.

This is the purpose of life! This is the significance of becoming a Christian! This is the plan that is ordained for you by God!

**5. A Christian's responsibility as precious vessel, the regeneration of soul:**

2 Corinthians 4:7 But we have this treasure in earthen vessels that the excellency of the power may be of God and not out of us.

16 Therefore we do not lose heart; but though our outer man is decaying, yet our inner man is being renewed day by day.

The function of the soul that is the mind, the will, and the emotion, must be refreshed and uplifted by subduing. Our regenerated spirit, along with the inner parts, will be renewed day by day, metabolically with the supply of the resurrected life.

You can experience the uplifting and the renewing of the ability of the soul in your college studies. According to one of the statistics, more than 95% of the influential scientists worldwide are Christians. This means that after their spirits have been regenerated, their minds, emotions, and will of each part of the soul are permeated, subdued, uplifted, and were able to notice what past mankind did not notice, enabled them to find out new discoveries in the natural science.

**6. A warning to the Christians who are not fulfilling their responsibilities:**

If you are indifferent to the Lord, there is a danger of not fulfilling your responsibility. If you have developed negative matters toward the Lord, not open to the regenerating of your mind, not cooperate with the Lord, and you will have no blessings in the practical study. Besides that, if you do not study diligently, there is a possibility that you will be held back for another year because of your poor grades. You need to be with the Lord, experience the Lord and study hard.

Romans12:11 Do not be slothful in zeal, but be burning in spirit, serving the Lord.

In addition, because you are a vessel to contain precious things, you need to be watchful for not filling yourself with sin and the things belonging to the sin (anger, envy, impatience, lust and etc.). Do not harden your heart, but open to the Lord, call upon the name of the Lord, and march onward with your campus life under the blessing of the Lord.

Hebrews3:13 But exhort one another each day, as long as it is called "today," lest any one of you be hardened by the deceitfulness of sin.

**7. A path to practically fulfill your responsibility:**

You have received mercy and you were made to be a precious vessel unto glory. In order for your vessel to be filled with Christ, the precious thing, you need to fulfill the following responsibilities.

- a. For 5-10 minutes every morning, just call upon the name of the Lord, read the Word, pray by using the Word, enjoy the Lord and be filled with the Lord.
- b. In various university activities, sustain your joy and express Christ in a large way.
- c. Come to BSG, learn the truth with the members, enjoy Christ, and encourage each other.
- d. Student's duty is to study, you need to experience the renewing of your mind in your studies, and your understanding will be uplifted. By doing this, your grades will gradually be going up, and you need to set a good foundation for the graduate school exams and finding employment.
- e. Being the precious vessel mentioned above, you do not escape from the responsibility, but grow in fulfilling the responsibilities by relying on grace. By doing this you can be a useful person for people as well as for God.
