

**Overview:** God is the God of glory and the God of the house. The goal of God's salvation is to have the building for God's dwelling place on earth. In order for the glory of God to return, to the house of God and the church, we need to deal with idles thoroughly. Also the first consideration we should have in the church life should be the Lord's glory. Paul prayed that the Father would strengthen us into our inner man so that Christ may make His home in our heart according to the riches of His glory. This implies that the glory of God would be wrought in us. In this way, the church will be built and the glory of God will return to the church.

### I. God is the God of glory and the God of the house:

A. The God of glory appeared to Abraham and called him, attracted him, and enabled him to follow God; in the same principle, God calls the New Testament believers by His invisible glory—

B. The Father of glory is God expressed through His many sons:

1. The title Father implies regeneration, and the word glory implies expression.
2. The title Father of glory implies regeneration and expression; we have been regenerated by God, and we are His expression.

C. In Genesis 35:7 we have a new divine title—El-bethel, "God of the house of God":

1. Before this chapter God was the God of individuals; here He is no longer just the God of individuals but is El-bethel, the God of a corporate body, the God of the house of God.
2. Bethel signifies the corporate life, which is the Body of Christ; thus, in calling God the God of Bethel, Jacob advanced from the individual experience to the corporate experience

D. *Glory is the expression of God, and building is the corporate expression of the Triune God; thus, the glory of God and the building of God go together, for the church, as God's building, is the corporate expression of God.*

### III. In the Gospel of John we see the glory of God in the building of God:

A. Christ, the incarnated Word, is the tabernacle and the temple filled with glory.]]

B. The issue of Christ being glorified by the Father with the divine glory is the Father's house as the enlarged, universal divine-human incorporation.

C. According to John 17:22, the oneness of the believers is the oneness in the divine glory for the corporate expression of God; in this aspect of oneness the believers enjoy the glory of the Father as the factor of their perfected oneness and thus express God in a corporate, built-up way.

### II. In Ezekiel 43:1-7 the glory of God returned to the house:

A. We need to see a vision of the dwelling place that God desires to have on earth and realize that God's goal is the building

B. The desire of God's heart is to have a dwelling place with man on earth; the goal of God's salvation is the building of His dwelling place on earth:

1. God wants to have the church built up on earth because He desires to have a dwelling place on earth
  2. He, the God of the heavens, wants to live on the earth; the place where He lives, His dwelling place, is the church
- C. "This is the place of My throne and the place of the soles of My feet, where I will dwell in the midst of the children of Israel forever":

1. The throne is for God's government, administration, and kingdom, and the soles of His feet are for His move on earth.
2. Apart from the temple as the place of His throne and the place of the soles of His feet, the Lord has no base for His administration and His move on earth.
3. Only the built-up church gives the Lord the standing to administrate His government and to move on earth; furthermore, the church is the place where the Lord can dwell for His rest and satisfaction.]]

D. *Because of the idols in the temple, the glory of God withdrew step by step, leaving first the temple, then the city, and finally the people:*

1. The departing of the glory of the Lord signifies the departing of God's manifestation from the church. 2. The departing of the glory of Jehovah from Israel was a result of God's judgment:
  - a. This is the second time in Israel's history that this happened: (1) At Mount Sinai, when the tabernacle was erected, the glory of the Lord filled the tabernacle (2) Later, the Ark was captured by the Philistines, and the glory of the Lord left the tabernacle; this means that God gave up the tabernacle.
  - b. When the temple was built at the time of Solomon, the glory of the Lord returned to fill the temple
  - c. The glory of the Lord remained in the temple until the time when Ezekiel saw it departing, leaving the temple and the city, resting on the Mount of Olives, and finally returning to the heavens; that was the departure of the glory of the Lord.]]

E. *The return of God's glory depends on the building of the house:*

1. In his earlier ministry Ezekiel saw the glory of the Lord leave the temple, but in his later ministry he saw the glory coming back to the house of the Lord.
2. The glory of the Lord returned because the building of God's house was completed:
  - a. The glory returned from the east—the direction of the sunrise, which signifies glory; the Lord came back from the glory.
  - b. The glory of the Lord came into the house by the east gate, which was for the glory of the Lord: (1) In the church life the most important gate is the east gate, the gate that is open to the glory of the Lord. (2) The first consideration we should have in the church life should be the Lord's glory
  3. The Lord desires to come back to the earth, but for His coming back He needs a dwelling place—a place for His throne and for the soles of His feet:
    - a. His dwelling place is the church, the base of His administration and move on earth.
    - b. God's concern is not merely with salvation or with spirituality but with the Building.
    - c. If the church today corresponds to all the details of the holy building of God covered in Ezekiel and thus is built up in every aspect, God will dwell in the church gloriously.
    - d. In order for the glorious God to dwell in the church, the church must be built up to become the dwelling place of God.]]

### IV. Ephesians 3 reveals that God is glorified in the church:

A. Paul prayed that the Father would strengthen the saints according to the riches of His glory, implying that the glory of God can be wrought into the saints.

B. In verse 21 Paul says, "To Him be the glory in the church," implying that the glory of God, which has been wrought into the saints, returns to God:

1. This glory comes to us with God and, after being worked into us, will return to God with us.
2. God's glory is wrought into the church, and He is expressed in the church.
3. To God is the glory in the church; that is, God is glorified in the church.

### V. An outstanding feature of the New Jerusalem is that it has the glory of God, His expression:

A. We have been predestinated for this glory and called to this glory:

1. We are being transformed into this glory and will be brought into it,
2. We will be glorified with Christ and bear the glory of God for God's corporate expression in the New Jerusalem

B. *The entire New Jerusalem will bear the glory of God, which is God Himself shining out through the city:*

1. Actually, the glory of God will be the content of the New Jerusalem, for this city is filled with His glory; this indicates that the city is a vessel to contain God and express Him in a corporate way.
2. The glory of God is God Himself being manifested; the fact that the New Jerusalem is full of God's glory means that God is manifested in this city.
3. The church life today should also have God's glory, manifesting and expressing Him corporately in this marvelous divine attribute.]]

Experience ① : Seeing the vision of the God of the house of God to experience God abundantly in the church life

In Genesis 35 we see a crucial and radical turn. However, not many children of God appreciate this. They read this chapter again and again without recognizing the radical turn contained in it. Before this chapter, God was the God of individuals. He was the God of Abel, the God of Enosh, the God of Enoch, the God of Noah, the God of Abraham, and the God of Isaac. But here He is no longer just the God of individuals, but El-bethel, the God of the house of God. In Hebrew, El means God. In the title El-bethel this Hebrew word for God is used twice, at both the beginning and the ending of this title. In a sense, the God of the house of God is double. We must admit that we do not yet have much experience of this. But we thank the Lord that after coming into the church life, we have had some experience of God's being God to us as a corporate body. In the church life, we do experience God corporately and not only individually. We all can testify that the God we experience in the church life is much richer and sweeter than the God we experience in our individual life. This is why we like to spend more time in the church life. Individually, we can experience the God of Abraham or the God of Isaac, but we cannot experience God as the God of Bethel. We can only experience the God of the house of God in the church life.

For junior and senior high school students

Gen 35:7 And he (Jacob) built an altar there and called the place El-bethel, because there God had revealed Himself to him when he fled from his brother.

Until Genesis 34 God was the God of individuals. However, in Genesis 35 the word El-bethel came up. It means the God of the house of God. From Genesis 35, God is the God of the house of God, because God's heart's desire is to have the church, the house of God.

You should not merely experience God personally. Enjoy God with brothers and sisters in your church life. Experiencing God in your school life will not be blessed if it is not for the church, because our God is the God of the house of God, the God of the church. There is nothing other than the church life that can touch God's heart and please God.

Eph 1:18 The eyes of your heart having been enlightened, that you may know what is the hope of His calling (that is, enjoying God in the church), and what are the riches of the glory of His inheritance in the saints,

In your church life, you should not see the brothers and the sisters externally. You need to see clearly the vision of blessings of the God of the house of God, God in the church life, with your eyes enlightened.

There are the following blessings in the church life:

i) With enjoyment and joy: There is also joy in the worldly enjoyment, but it is temporary and vain, and the sins are involved. So, the worldly enjoyment may result in involving fornication or violence. For example, college students like horseplay. After drinking alcohol and indulging in horseplay, their sins dwelling in their human flesh are released and so they may fall into fornication and violence.

However, the enjoyment in the church life is pure and full of Christ who transforms your soul. When you enjoy the Lord, you can feel pleasure, even in the difficult environment so you will be able to live a school life positively.

Heb 11:25 Choosing rather ...than to have the temporary enjoyment of sin,

ii) With protection: In your church life, Christ become a covering from the tempest and protect you. You will be protected from the tempest such like being bullied seriously or being neglected completely by classmates.

Isaiah 32:2 And a man will be like a refuge from the wind / And a covering from the tempest, ...

Please see clearly with the eyes of your heart that God is present in your church life, and practice your church life according to this vision. Then you will be blessed.

Experience ② : The return of the glory of God to the House of God

It is important for us to understand why the glory of the Lord came back. The glory of the Lord returned because the building of the temple was completed. This is the crucial point. How much the Lord desires to come back to the earth! Yet, for His coming back He needs a place for the soles of His feet to rest, a place upon which He can set His feet. His habitation, His house, is the place on earth where He can put His feet.

Throughout the centuries the enemy in his subtlety has kept Christians from knowing anything about the building. Christian teachers emphasize greatly the matter of salvation and to some extent the matter of spirituality, but they rarely emphasize the matter of building....The building is nothing other than the church.

Today, the Lord is not concerned merely for individual spirituality. Even if many spiritual people such as Daniel had been raised up in Babylon, the glory of the Lord would not have gone there to fill them. The Lord's recovery did not return to Danial; rather, it returned to the temple after it was rebuilt.

For young working saints

The normal church life will be fully recovered before the coming back of Lord Jesus. Now all the believers are on this ground for the building of the church. In the everyday church life, there is the need to experience Christ and build the church. Paul is praying for the building of the church in the following manner.

Eph. 3:14 For this cause I bow my knees unto the Father, 16 That He would grant you, according to the riches of His glory, to be strengthened with power through His Spirit into the inner man, 17 That Christ may make His home in your hearts through faith, that you, being rooted and grounded in love, 18 May be full of strength to apprehend with all the saints what the breadth and length and height and depth are 19 ...that you may be filled unto all the fullness of God. 21 To Him be the glory in the church...Amen.

For the building of the church, you should experience the following in your business life and church life.

i) First of all, your regenerated spirit is strengthened and burned: Please practice " morning revival", and to have the start with a strengthened and burning spirit. And there is the need for you to stay in the burning spirit all day. People with the burning spirit can confront the sudden changes and difficulties in business. Without the burning spirit, you will not be able to sense the big change in the environment, and you will fail, because you can only deal with them according to a common, determined routine.

ii) Secondly Christ will build His home in your heart: after the spirit is strengthened, you need to set your mind on the spirit and allow Christ to spread from your spirit to your mind. To set your mind on the spirit is a very important key in business life. If we do not set our minds on the spirit, we cannot enjoy the abundance of Christ in business life, and cannot live out Christ. Never leave Christ behind at the meeting hall. You must go to the office with Christ. This depends on whether you open your mind and set your mind on the spirit. If you are able to set your mind on the spirit, you will be blessed because you can work on the business in the mind of Christ.

iii) Experience Christ's breadth, length, height, and depth with all saints, unto all the fullness of God: Christ in church life is rich and cubical. Live the corporate life with the brothers and sisters. Rely on the brothers and sisters, and help them out. For the building of the church, make your business life a life with testimony. May the Lord bless your business life for the building of the church. Amen!
